The precious qualities of Allāh, the treasure of piety pleasure, longing for Him, joy, and the happiness found in being close to Him will never happen to the heart that cares for anyone or anything besides Allāh even if he was among the people of worship, piety, and knowledge. Allāh ﷻ refused to put His precious qualities into the heart that associates others with Him and whose intention is to follow other than Him. Instead He entrusts His precious qualities to the heart that considers poverty as wealth as long as it is close to Allāh, and wealth as poverty if it is not close to Allāh.
